**Open Discussion about
Medical Issues in Autism**

With

John Green MD

EverGreen Center, PC, 516 High Street, Oregon City, OR 97045

503-722-4270 phone

Sunday, August 21, 6 p.m.

at the

ARRO Westside Center

2360 SW 170th Ave

Beaverton Oregon

Dr. Green specializes in assisting children with childhood disorders, allergies, and environmental issues to achieve better health for their medical needs. He has treated thousands of individuals with autism in his years of medical practice.

Bring your questions and hear about the many different medical issues he has addressed in his experience in his practice.

Please RSVP to:
