

**OFFICER BRIAN HERRITT WILL GIVE A PRESENTATION ON  
AVOIDING UNFORTUNATE SITUATIONS FOR PEOPLE WITH  
AUTISM SPECTRUM DISORDERS**

**2 Dates: Eastside/Westside of Portland Metro**

Officer Herritt is a consultant and presenter for Autism Risk and Safety Management for the Debbaudt Legacy Productions, LLC. Officer Herritt is a police officer in San Diego and also the parent of a young man who has autism. In September, he will give presentations in the Portland Metro area. His presentation is useful for parents, school staff, case managers, special needs housing personnel and any agencies that work with people with Autism Spectrum Disorder.

His informative presentation will include:

- A review of common risks at home, school and in the community
- What you can do to address runners, wandering and elopement including ID issues, 911 alerts, neighborhood awareness, functional behavioral analysis, tracking technology
- Proactive safety opportunities for a person with autism spectrum conditions
